

From LaSalle Manor retreat house in Plano, Illinois (where our students attend their retreats).

GOOD NEWS...WE ARE NOT DONE YET!

Since almost everything is being facilitated on Social Media, Zoom and social distancing is the new norm, the LSM Retreat Team has put our thinking caps on and is excited to present some spiritual opportunities for you and all your students!

- **FAITH R&R: Reflect and Respond** - A short reflection video for participants to take some prayerful time in their day to reflect on the week that has passed with joy and gratitude. Our goal is to inspire and challenge participants to respond with hope to God's call within our daily lives. **These videos will be shared for the next four Fridays.** *I would encourage your students to follow our social media accounts for more info and to be able to watch and participate in the reflections.* **Follow and Like Us @LSMretreat** (Feel free to share this image on your appropriate social media accounts if desired)

- **JUNIOR Zoom Prayer Experience** - We invite all Juniors, the Class of 2021, to join us for a prayer experience! This will be facilitated by the current LSM Retreat Team.
